'I have come so that they may have life and have it to the full'

16th January
2019

Dear Parents/Carers

Welcome Back!

This is the first newsletter of the new year. We hope that you had a fantastic break and that you all have a wonderful 2019. The term is already busy and there are lots of events planned for your children to enjoy over the coming weeks.

Cold Weather

As the weather turns colder, please can we ask that all children come to school wrapped up warmly. Please ensure that all coats and belongings are clearly labelled as this makes it much easier to return misplaced items.

Dinner Money

A reminder that school dinners cost £2.10 per day (£10.50 per week). Please make payment the week before dinners are to be taken. Any arrears **must** be paid or we will ask children to be provided with a packed lunch.

Growth Mindset Day

The Junior children took part in a fantastic day of events which was organised by Miss Kneale. They carried out activities in class and also had sessions on fencing and yoga in the halls! It was a brilliant day and taught them that they can overcome any challenges that they face if they have a positive attitude.

Safeguarding

Please refer to the letter sent out today regarding safeguarding routines in school. We aim to keep your children safe at all times and ask for your co-operation with the issues raised. Many thanks.

Sacrament Meeting

Advance notice that our next Sacrament meeting will be held on Monday 28th January at 3pm in the Junior Hall. Please ensure that you are able to attend with your child in order to complete the preparation materials.

After School Clubs

The children have been given information of various clubs that are on offer after school. If they wish to take part, they must bring their signed forms back as soon as possible to give them the best chance of being selected. Please ensure that children have all the kit they require for the club and that it is clearly labelled and brought in with them when they arrive for school at 8.55am.

Mobile Phones

Many children (especially in Y6) have received mobile phones for Christmas. Please can we remind parents that we ask for these to be given to the teacher at the start of the school day. They will be returned at the end of the day. Children should not have phones during the school day and we take no responsibility for any that are lost, damaged or stolen.
