Dear Parents/Carers

Parents' Evening

A reminder that we are holding Parents' Evening on Wednesday 6th March. If you have not yet made arrangements to meet with your child's teacher, please do so as soon as possible. It is very important that we can discuss your child's progress with you.

World Book Day

As part of our Book Week, children are invited to come in dressed up on World Book Day, which is on Thursday 7th March. The theme this year is 'Fairy Tales and Traditional Stories'. Please do not go to great expense for the day and maybe try to wear something they already have. We hope that the day is as successful as last year and helps to further build the reading culture in our school.

Momo Challenges and Online Games

Please see the reverse of this letter and also the additional letter for information regarding the above. The 'Momo Challenge' is a particularly disturbing activity which is in circulation at the moment. Please see the accompanying material and speak to your child regarding this.

Forthcoming SATS tests for Years 2 and 6

As you will be aware, Y2 and Y6 are required to take tests as part of their studies. A KS2 SATS meeting was recently held in the Junior Hall and information was presented to explain the tests and give parents/carers advice on how to support their child. This information is available on our website for those parents/carers who were not able to attend.

There is also a KS1 Powerpoint presentation on the website which explains the procedures for the Year 2 children.

The test dates are as follows and we ask parents to ensure that punctuality and attendance is 100% before/during these times.

Y6- Monday 13th May- Thursday 16th May

Y2- Tuesday 7th May- Friday 10th May

Y5 Space Projects

Well done to all of the Y5 children for their amazing space projects! The other members of the school loved looking at their exhibition in the school hall. We thank all parents/carers for their support in helping to make the event such a success.

Y2 Football Tournament

Good luck to the Y2 Football team who will be taking part in a competition at Goals Soccer Centre next week. We are sure that they will do us proud!
