2019

Dear Parents/Carers

Archbishop's Visit to St Elizabeth's Church

The Archbishop will be visiting St Elizabeth's Parish on Sunday 12th May. He will be celebrating mass at 9.30am and it would be wonderful to see as many members of the school community in church as possible. Please make every effort to attend. Thank you.

School Website

Our new school website is now live. It is far more user friendly than the previous version and also has a Twitter feed to allow you to follow our school and see what is happening. Content is still being added to the new site so please bear with us whilst this is done. To follow us on Twitter, our whole school name is @stelizcps

You can also follow your child's year group by following @stelizcp(add year group - n,r, 1 etc) e.g. @stelizcp1

Smoking at School Gates

Please can we ask that people do not smoke outside the school gates as children and adults are finding it difficult to get onto the yard. We thank people for following council rules and not smoking on the yards, but just ask that they smoke further away so people do not have to walk through the crowds and smoke. Thank you for your understanding.

Pizza Hut

Last week, both of our Reception classes went to Pizza Hut to learn how to make their own delicious pizzas! Each child got to make a pizza of their own to take home with them. Unfortunately for the teachers, they didn't get to make one! We would like to thank all of the children for their excellent behaviour and also like to thank Pizza Hut for having us.

Windmill Farm

A big thank you to Mrs Fraser for organising a fantastic trip for all Y1 children to Windmill Farm. The children had a fantastic time and learned lots of new information to help them with their school work. Thank you also to the many people who gave up their time to support the children on the trip.

Testing Periods

Y2 are currently completing some tests which they must take as part of government procedures. We keep the tests as low key as possible to ensure that the children are as relaxed as possible.

Y6 will sit their SATS tests next week. As part of the test week, we offer all children in Y6 a free breakfast. Please ensure that your child has an early night and arrives early for their breakfast as this puts them in a relaxed state of mind before they begin their work.

All we ask of each child is that they do their best. After the testing period, we will lay on some special treats for them to thank them for their hard work.

St Elizabeth's Mass Times

Saturday 5pm
Sunday 9.30am

Forthcoming Events

Friday 10th May
Girls Football Tournament
