Dear Parents/Carers

Sacrament Meeting

Thank you to all parents/carers and children who attended the first sacrament meeting at the church. It was a lovely event with the children learning all about the different areas of the church. Thank you also to teachers for their assistance on the evening. The next meeting is in the school hall on Monday 4th November.

E-Safety

Please can you reinforce the message to your children that they should not speak to/accept friend requests online, from people they do not know. I have been made aware of several incidents when the children are not following the messages that they have been given which could put them at risk.

School Photographs

A reminder that photographs will be taken next week. On Monday, we will be taking family pictures from 8.30am. We will then take pictures of families within school (brothers and sisters etc), followed by some individual pictures. Individual pictures will then be continued on Tuesday.

Attendance and Punctuality

Well done to classes 2OC and 6MC for their excellent attendance last week. Our current overall attendance stands at 95.8%. Please ensure that your child is in each day so that we can keep up this excellent start! Thank you.

Dogs On The Yard

Please can we ask that **NO** dogs are brought onto the yard. Even small dogs which are being carried are not allowed and we ask that if you walk a dog to the school, you ask somebody to collect your child for you. Some children are scared of dogs, so we need- like all other schools- to enforce this rule.

Aldi Vouchers

We are collecting vouchers which are being issued to schools from Aldi. Please can we ask you to bring them in so that we can collect for new sports equipment.

Reminders

Please can I point out some safety issues that we would like to remind both adults and children of. Firstly, can we ask that entrance to the main office of the school, for both adults and children, is via the pathway- **NOT THE CAR PARK**. We spent a lot of money to create the safer walking area to avoid accidents, yet some people are not using it.

Secondly, could we remind everyone that there should not be any bad language used on the yard. We have had reports of adults swearing in earshot of children, which I am sure you will agree is not acceptable.

Thank you. Mr Daniels
