### Please note:

Please ensure that if you have changed your contact details, you inform the office asap.

Christchurch provide our after school care. If you are interested in booking a place, please call the school for more details.

### Dear Parents/Carers

#### Own Clothes Day

As per the text message earlier this week, tomorrow, Friday 15th November will be an own clothes day. Please bring in a donation for the Christmas Fair of either a bottle, fancy goods or a small donation. The fair will be held after school on **Friday 6th December**.

#### Parent's Evening

It was fantastic to see so many parents/carers at the parents evening last week. These nights are invaluable in order for us to meet to discuss how we can work together to support the children. If you were unable to attend, please make arrangements to see the class teacher as soon as possible. Mrs Tarrington will hold her Parent's Evening on Tuesday.

#### Attendance and Punctuality

Well done to classes 1S/F and 6HB for their winning attendance scores last week. They will shortly receive a treat from Mrs Elder! We are still noticing a lot of pupils arriving late, which is extremely disruptive for both them and other pupils and staff in the school. We understand that children may be late on occasion, but please ensure that it does not become a regular habit. Thank you.

#### Anti- Bullying Week

This week is national Anti-Bullying Week. The children have been completing lessons in school to help them to understand what bullying is. Although there is no legal definition of bullying, it is usually defined as '**repeated behaviour which is intended to hurt someone either emotionally or physically**'. The children have looked at the forms that bullying can take and also looked at how we can stop bullying.

#### School Trips

We have several school trips and I am pleased to say that the feedback I always get is that the children are a credit to our school. This was once again the case when our Y3 children visited Southport Eco Centre as part of their Stone Age topic. A member of staff at the centre emailed me to say that the children **"...were the most polite, enthusiastic, happy and all-round wonderful group of children I have had the pleasure to teach in a very long time"**. They stated what great ambassadors the group were for our school! Well done to all children (and adults!) on the trip.

#### Reminders

Please can we ask that parents/carers do not post images of other children online. We have some children who are not allowed to be photographed and it is important that images of them do not get displayed online.

Can we also ask that parents/carers stay behind the blue lines on the yard. Thank you. Mr Daniels
