

## Geography at St Elizabeth's

We aim to foster understanding, curiosity and fascination about the world and its people through the planned curriculum and through opportunities that arise throughout the year as detailed below

- Learn about the countries of new children to the school as the cohort diversifies (unity)
- Read stories and learn songs from other countries and cultures (unity)
- Discuss world news items as they arise (responsibility)
- Take part in global charity work and sustainability projects (responsibility and generosity)
- 

WE KNOW ABOUT	WE CARE ABOUT	WE ACT
Locations	An equal share for all	Raise money
People -similarities and differences	Sustainability	Campaign
Natural environments and Processes	Climate Change	Recycle
Human Geography and Processes	Pollution	Save energy
The World's Resources	Fairtrade	Clean up campaigns
Reading Maps		
Conducting Fieldwork		

	Locations	People	Natural Environments and Processes including weather	Human Geography	World Resources	Maps	Fieldwork / Enrichment
