Dear Parents/Carers,

Thank you for your kindness and considerate behaviour in very difficult times.

As you will be aware, schools have been ordered to close tomorrow afternoon for most children.

Exceptions to this are children who have parents/carers operating as ‘Key Workers’.

We therefore need to draw up a list of all those people who may require some form of childcare/schooling. As we understand it, ‘Key Workers’ are those working in NHS essential services, police, fire and ambulance services, and those working in a social care setting looking after vulnerable and elderly people. We await the Government announcement on **who exactly** is classed as a key worker, but for the time being, we will work off the list above.

In order to ascertain the number of people within the school community who are working within these categories, please could you kindly contact the school with the information, or return the slip below. If you are a key worker, but **DO NOT** require childcare, please state this.

Thank you for your support – we are all trying hard to keep our communities safe and healthy.

Kind regards

Mr L Daniels
