Dear Parents/Carers

In light of yesterday's announcement regarding school closures we would like to direct you towards some suggestions to help with your child's learning.

Reading

Please continue to read regularly with your child. This can be books, magazines or online material. Please question your child about what they are reading to ensure that they are understanding it.

Maths

Times Tables Rockstars – your child has been given their log in. This will help them learn and increase their knowledge of the times tables. Please focus on the 2, 5 and 10 times table.

Purple Mash

Your child has a login for Purple Mash. Purple Mash has activities for all subjects and year groups. Your child has received a password for the site in paper form as a reminder.

Websites

There are a wealth of online materials available. Below are just a selection:

- Twinkl is offering a month's free subscription for all. Please visit: www.twinkl.co.uk/offer and enter the code **CVDTWINKLHELPS**
- BBC Bitesize
- National Geographic kids: activities and quizzes for younger children
- Mystery Science: free science lessons
- Oxford Owl for Home: lots of free resources for Primary age
- Phonics Play: **Username: march20 password: home**
- Blockly games: this has computer programming skills
- J2code: free coding resources for computing
- Maths Bot: click on 'Manipulatives' for a range of interactive resources
- ICT games: English and Maths interactive resources
- KS1 super movers: easy to follow active learning videos

Your child has also been given a maths book to practice calculations to 20 and times tables 2,5 and 10. You also have a lined book to practice handwriting and sentence work.

We have included a curriculum map to show you the topics children would usually be covering.

With your continued support we will get through this difficult time together.

Kind regards,

The Year One Team
