Dear Parents/Carers

In light of yesterday's announcement regarding school closures we would like to direct you towards some suggestions to help with your child's learning.

Reading

Please continue to read regularly with your child. Our children need to read a range of both fiction (including poetry) and non-fiction so please read as much as possible. We are sending home a class novel for your child to write a report on.

Maths

- Times Tables Rockstars – your child's login is included. This will help them learn and increase their knowledge of the times tables.
- White Revision books each day. Please work ahead of the timetable as children will have more time and use the websites below to support any learning (especially Newfold Primary Maths and Maths Is Fun for explanations)

Purple Mash

Your child has a login for Purple Mash. Purple Mash has activities for all subjects and year groups. They will receive a password for the site in paper form as a reminder.

- ***Please ensure your child checks their to-dos daily as these will be updated.***

Websites

There are a wealth of online materials available to support learning. These include:

Twinkl is offering a month's free subscription for all. www.twinkl.co.uk/offer Enter the code CVDTWINKLHELPS .

BBC Learning- sites such as Revisewise are available to support children with their studies in all subjects.

Scratch- Creative computer programming.

National Geographic kids- Activities and quizzes for younger children.

Duolingo- learn languages for free.

Mystery Science- Free science lessons.

Oxford Owl for Home- Lots of free resources for Primary age

Phonics Play has some free activities that would suit Early Years and Key Stage 1

Bolcky games – this has computer programming skills
