17th April 2020

Dear Parent/Carer,

I hope that you and your families are well.

It was a strange Easter this year, but I do hope that the celebration did bring some enjoyment to yourselves and the children during the lockdown.

This is now the fourth week of school closure and as yet we are no clearer as to when things may get back to normal. We have had mixed numbers attending school of between 2 and 15 children. These are the children of key workers and we thank them for the job they are doing at this time.

I wanted to let you know about an important change to Free School Meal provision.

We were hoping to use the Governments voucher system and tried to implement this, however it has hit major problems with lots of schools complaining about the service. We will therefore use ADM Meats once again next week. **From this coming Monday 20th April**, the allocation will increase to **£15.00** per child who is eligible.

We hope that you have been collecting your allocation and we thank those who have given much positive feedback on the store.

If you are not yet following the school on Twitter, please do so in order to keep up to date- thank you to those who have been Tweeting! Please take care of yourselves and your families and we hope to see you soon.

Once again, I would also like to thank all staff at the school for their efforts

Kind regards from myself and all at St Elizabeth’s.

Mr Daniels
