26<sup>th</sup> June 2020

Dear Parents/Carers

We hope that you and your families are safe and well.

As you are aware, this week saw the return to school of further children from various year groups. The children returning were those who had previously expressed an interest in coming back. We based our ‘PODS’ on these numbers and so far things have worked well.

As you are aware, we are only allowed to have a certain amount of children in each POD. Since Monday, a few parents/carers have called to see if their children could return. In an ideal world, we would take every child back, as we miss them all! However, this is obviously not possible.

We have therefore added some children onto a list of those who have expressed an interest to return and if we do have space, we will contact you. However, our PODS look like they are pretty much full, so if we have not contacted you as yet, it is unlikely that we will be able to accommodate your child until September.

There was a rumour circulating from some parents that all classes would return on 29<sup>th</sup> June, **but this is not the case**. We have organised our PODS based on the guidance given by the Government and our Health and Safety advisors. If anything changes, we will be in contact with you.

In the meantime, please continue to look out for work set on Twitter and Purple Mash. Teachers should also be calling home to check in with you and answer any queries.

Here's hoping that school can return to normal as soon as possible after the summer break.

Take care

Mr L Daniels  
Headteacher
