

WELCOME BACK

WE HAVE MISSED YOU GREATLY BUT HAVE A VERY SERIOUS MESSAGE TO SHARE

FOR NOW SOME THINGS HAVE TO BE DIFFERENT. THIS IS BECAUSE OF CORONAVIRUS.

- <https://www.youtube.com/watch?v=OPsY-jLqaXM>
- All of us must now work together to stop Coronavirus in its tracks.

MAINTAIN SOCIAL DISTANCING WHENEVER
POSSIBLE

HOW HAS SCHOOL CHANGED?

- You may have to use a different entrance and exit.
- Your desks will be facing the front of the classroom.
- You will have your own equipment and will not be able to share some things.
- Your playtime and lunch time may be at different times.
- You must stay with your class all of the time.

WHAT IS THE SAME?

- Your teacher is still here to help you.
- Talk to your teacher or any member of staff if you are worried.
- You will still be learning lots of exciting things.
- You will be with the same class.
- You will be expected to work hard and follow the behaviour rules.

MAINTAIN SOCIAL DISTANCING IN CLASS

- Stay in your seat at your table. You will always have the same seat and table.
- If you need to leave your seat please ask your teacher
- Do not ask to borrow equipment from friends
- Use the equipment in your plastic wallet and do not share it.

SOCIAL DISTANCING AROUND SCHOOL AND FOR OUTDOORS

- When you line up or walk around school you must keep a distance between yourself and others.
- You must not be able to touch anyone else around you.
- Only 1 person may go to the toilet at a time.
- You must thoroughly wash your hands every time you use the toilet.
- You must use the same entrance and exit all the time.

AT LUNCHTIME

- Lunches will be in the hall with your POD – it may be at a different time..
- We may have lunch outside if it is sunny but still keep a distance between you and your friends.
- Hands must be thoroughly washed before and after eating.

LET'S ALL BE A SUPERHERO HANDWASHER!
THERE ARE POSTERS DOTTED AROUND SCHOOL
TO REMIND YOU!

HELP WITH HANDWASHING.

- Germs live on your hands so we will be asking you to wash them often
- You must wash your hands after you have been to the toilet with soap and water.
- Wash for 20 seconds. This is the same as singing 'Happy Birthday' twice through.

WHEN YOU SNEEZE

- Catch it in a tissue or into the crook of your elbow
- Put the tissue in the lidded bin in your classroom.
- Wash your hands with soap and water.

KEEP YOUR HANDS AWAY FROM YOUR FACE.

DON'T TOUCH YOUR FACE!
