

Dear School Council member,

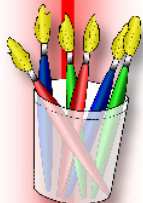

Congratulations on being selected to represent your class! You have such an important role in our school.

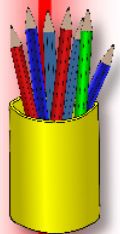

I'm (Miss Kneale) going to look after the School Council until Miss O'Connor comes back from maternity leave.

Throughout the year you will be given lots of 'jobs' to do. These might be asking your class questions, attending meetings or going out to represent our school.

We won't be able to meet as much as we normally would as we are all in different PODs. However, we are still one team and will still work together.

I have included your badge with the letter. Please make sure you wear this everyday so that people know you are in our council.

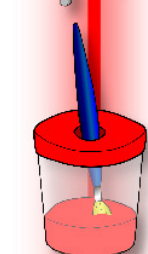

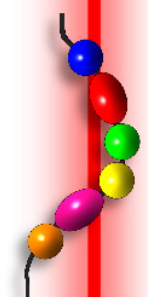

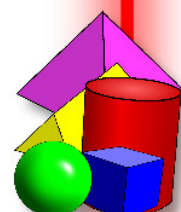

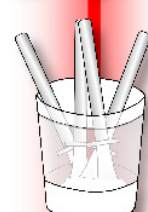

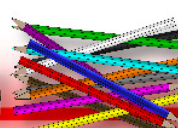

Your first job – Please ask your class:

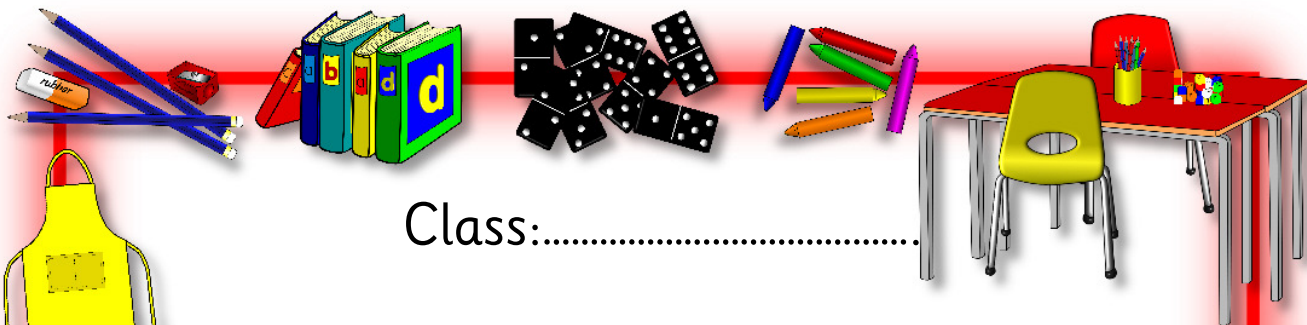

What ingredients does a good friend need to have?

Please choose 6 ingredients that your class thinks a good friend needs. Please pass your sheets in to 6K by Friday 24th October.

Thank you!

Miss Kneale

Class:.....

6 ingredients we think a good friends needs to have
