'I have come so that they may have life and have it to the full'

17th November
2020

Dear Parents/Carers. Happy St Elizabeth's day!

Masks and Face Coverings Reminder

Thank you so much to everyone who has been wearing face coverings on the yard. Whilst they are uncomfortable, they do help to stop the spread of Coronavirus. There has been a huge increase in the number of people being tested in our area. With greater tests, more positive results may be found, which then means we must act to keep everyone safe. We thank you for your understanding as like all schools, we know that sending children home does impact on you as parents/carers, but it is something that we have to do in the event of a positive case at school.

Attendance and Punctuality

We understand that things are difficult now, but ask that if your child is able to, they attend school on time each day. Please ensure that they have everything that they need with them when they arrive.

If you or your child has any symptoms of Coronavirus, the children must not come to school until a negative test has been confirmed. If a person has contact with someone who has tested positive, THEY MUST ISOLATE FOR 14 DAYS- this applies even if the person who has had contact tests negative.

Applications for Reception Places

Just a small reminder that now is the time to apply for a place for your child to start Reception in 2021. Even if you are in our Nursery, you must still apply. Please go to 'Sefton Admissions' online and fill in the forms. If you have any trouble, please call us in the office.

School Photographs

The photographer came to school at the beginning of November. He will be returning this **Friday 20th November** to take pictures of the Y5 children who were isolating, along with any children he missed on his earlier visits.

Crosby Hall Educational Trust

Last week, Y6 spent a fantastic day at CHET completing lots of teambuilding activities. The children (and staff!) had a brilliant time there. Other year groups will shortly be visiting and we are sure that they will enjoy it too.

Twitter

Despite the pandemic, there is still an awful lot going on in school. The best place to see all that is happening is on Twitter! Download the app and then follow our school at stelizcps. To follow your child's class please follow stelizcp1, stelizcp2 etc.
