24th February 2021

Dear Parents/Carers

We hope that you and your families are safe and well.

You will now be aware that the Government has announced that all Primary school pupils will return to school on Monday 8th March. This was a welcome announcement and we can't wait to have all children back in school! Let's hope that the end is in sight and that this is the last lockdown that we will experience.

Staff are now busy making preparations and planning for the return of the children. We will also be taking advice regarding our risk assessments and ensuring that we put in place everything that we possibly can to ensure a safe return to school for all. As previously, please maintain social distancing and wear face coverings whilst on school premises. We also ask that only one adult accompanies a child on the school yard so as to reduce numbers.

Work will continue to be set online until Friday 5th March and work packs are available if required. Although it may be difficult, please try to keep your child engaged with their learning as it will help when they return to school.

Some parents have asked about Free School Meal vouchers. We were only allowed to order these from yesterday and they take a day to be fulfilled and sent to us. They will be available tomorrow morning from 9:30am, so please telephone for the code or come to school to collect it. These can then be redeemed at www.freeschoolmeals.co.uk. Please redeem the codes ASAP as they expire in a month. Once redeemed, you will have a longer period to use them.

Take care and we are looking forward to seeing everyone on Monday 8th March.

Mr L Daniels
Headteacher
