'I have come so that they may have life and have it to the full'

14th May
2021

Dear Parents/Carers

NSPCC Number Day

A big thank you to everyone for helping to raise over £450 for the NSPCC through our Number Day! The children had lots of fun completing mathematical challenges and some were even lucky enough to win a prize box from Tesco. Thank you to Mrs Baker for organising the day.

Covid Update

As you will be aware, the Government is slowly easing restrictions in place due to COVID. Some of these restrictions are due to be lifted from this coming Monday. I would like to ask that, like other schools, adults on the premises remain wearing face coverings. All teaching staff will continue to do this. Rates in Sefton are higher than in some regions and we feel it best to continue with our policy to ensure everyone is safe. By doing this and following other guidelines, hopefully we will return to normal times as soon as possible.

School Meals

Please can we ask that children do not constantly change their meal choices. The food is ordered in advance and we ask that if your child is changing from one choice to another, you let us know beforehand.

(Another) Plea From The Office!

Can all children aim to be in school through the main gates before they close in the morning. The gates are open for at least 20 minutes, giving enough time for all children to come through. If a child is late, they then have to go to the office and be signed in and taken to class- which is added work for the staff. We understand that a child may be late on occasion due to unforeseen circumstances, but some children are late arriving and being collected **every day**. Can we also ask that only **ESSENTIAL** messages are called to the office. If a child comes in a little upset, please rest assured we will call you if all is not well. Likewise, if a child forgets something, we will call you if they need it, otherwise we will provide them with a replacement if possible. If lots of kits are passed into the office, there is always the chance that they do not get passed on to your child due to the hustle and bustle of the day. Finally, can we ask that cars are not driven up the driveway, but instead parked on the road and children walked into the school. The driveway is extremely congested. Thank you for your understanding.

Half Term Break

The last 2 years have been a difficult time for us all. We hope that the weather improves and we are able to have an enjoyable two week half term break when we finish next **Friday 21st May at 3pm**. We will return to school on **Monday 7th June at 8:45am**.

St Elizabeth's
Mass Times
Saturday 5pm

Forthcoming Events

Monday 3rd May-

Friday 7th May

Please note:

Please can all dinner money be sent in to the class teacher on a Friday to cover payment for the coming week(s)

Please ensure that if you have changed your contact details, you inform the office asap.

Can we ask parents/carers to let us know by 9:30am if their child is not going to be in school. This saves us time in ringing or calling to houses.
