

St Elizabeth's Catholic Primary

'I have come so that they may have life and have it to the full'

28th January
2022

**St Elizabeth's
Mass Times**
Saturday 5pm

Dear Parents/Carers

Covid

Please continue to regularly test yourselves and your children to ensure that any infections are detected early and we can limit the spread in school.

NSPCC raffle

Raffle tickets are currently on sale for a fantastic selection of prizes. All money collected will be donated to the NSPCC to aid the fantastic work that they do supporting vulnerable children. Tickets are 50p each and will continue to be on sale throughout next week.

Let's Celebrate Reading!

National Storytelling Week is being celebrated from 31st January to 6th February. Encourage your child to read a book, read with them, read to them and spend some time discussing their favourite books!

We are also giving you advance notice that World Book Day is on Thursday 3rd March. We will shortly be in touch with more information, but would just like to tell you that this year our theme is Roald Dahl.

Holocaust Memorial Day

A big thank you to Mr Bulger, Miss Schofield and the children from both the School and Prayer Councils. They performed a moving assembly which reminded us of the events of the Holocaust and shared some lovely stories of hope which have arisen from it. The children reminded us that we are all different and differences should be celebrated.

As part of the remembrance events, Y6 went to Crosby Plaza with other local schools to watch a film linked to the events. The children were touched by the film and were respectful throughout the performance.

SATS

Advance notice that the Government have stated that KS2 SATS are expected to go ahead this year from **Monday 9th May to Thursday 12th May**. Please do not make any arrangements during this time as no holidays can be authorised during this period.

KS1 SATS will also take place from 3rd May. These differ in that they do not need to be completed on set days, but need to be completed during a test window. Please ensure children attend regularly so that they will have covered the content of the tests. Year group teachers will shortly be in touch with more information.

ECO Assembly

Thank you to Kirsty from Veolia Waste Services for coming to deliver a powerful assembly recently on recycling. The children have hopefully taken the message home to Reduce, Re-use, Recycle!

Regards

Mr Daniels

Forthcoming Events

Monday 31st January-
Kindness Workshop

Tuesday 1st February-
