'I have come so that they may have life and have it to the full'

4th May
2022

Dear Parents/Carers

Y6 SATS Week

Next week is test week for the Y6 children. It is really important that the children are in each day to complete the tests. We are holding a Breakfast Club for them in the Junior Hall which has been provided by the PTFA and is free of charge. The children will be able to arrive at 8:20am and have a relaxing breakfast before their tests. We will also have some treats for the children throughout the week and following SATS, to reward them for their hard work. Please ensure that the children do not worry about the tests- we just want them to do their best. Please can you make sure that they have an early night before coming to school.

Basketball Team

Well done to our school basketball team who represented South Sefton in the Merseyside Games and made it all the way to the quarter finals! We are really proud of you all!

Veolia Recycling Competition!

Well done to Sophia in 5J who won 2nd place in the Sefton recycling competition. Sophia designed a World Book Day outfit out of recycled materials and for her efforts she won a £50 voucher for the school and some goodies for herself!

Holidays During Term Time

Once again we ask that children are not taken out of school during term time. It is very disruptive for all and as you know, our attendance is monitored closely by the Local Authority. Thank you for your support.

Windmill Farm Trip

Y1 will be going to Windmill Farm next Monday. Please ensure that they are wrapped up warm in case of bad weather. We are sure that they will have a lovely time.

Forest School

This Friday 6th, Y3 will take part in Forest school. Next Friday 13th, Year 6 will have their session. Please wear appropriate clothing.

Y5 Kings Leadership Academy Hawthorne's Taster Days

Our Y5 children have been lucky enough to spend some time in Hawthorne's school working with their staff and pupils. This gives them an insight into life in a secondary school and what they can expect in the coming years. It has been a great experience and we thank the school for inviting us.

Fire Alarm

Apologies if your child was out a little late last week following the fire alarm at the end of the school day. This was not a planned test and was caused by a fire alarm button being accidentally pressed. Thank you for bearing with us whilst we checked the building and found the fault. Despite it being a difficult time of day to evacuate, a fire can happen at any time and it was good to see the school evacuated so quickly.

Regards
Mr Daniels
