

St Elizabeth's Catholic Primary

'I have come so that they may have life and have it to the full'

14th February
2025

Dear Parents/Carers

Half Term

A reminder that next week is half term so the children should not attend. Please return to school on **Monday 24th February**. Please be advised that we will be closing the school gates at **8:45am** (as per previous text) so we ask that all can be in school by this time to ensure a smooth start to the day. Those who are late have a disrupted start to the day and also disrupt the learning of other children. Thank you.

After School Kids Club

Our club is up and running and is getting busier each week. Fun4Kidz have put together an information sheet regarding their prices and the subsidies that are available. They are happy to discuss this with parents. With maximum discounts, **some parents may only pay £1.67** per session from 3:15pm- 6:00pm.

Woodlands Hospice

At the request of one of our families, all children and staff are invited to wear their own clothes on Friday 28th February in order to support a fundraiser for Woodlands Hospice. We ask children to bring in a donation of £1 (or whatever you wish to give) and all money will be taken to the hospice to be added to collections from other schools. We hope that you are able to support the event.

Bad Language on the School Site

I would like to respectfully remind people that we are a school and as such, we have children aged between 2-11. Lately, we have had to speak to several parents regarding bad language on the yard and how this is unacceptable. **This is not the norm** and most parents follow our school rules and work alongside staff to support the children. However, we occasionally need to send out a reminder that bad language on the yard will not be tolerated and school do have the power to ban parents/carers off the site. We will do this for either bad language, or in the case of abuse given to school staff or other parents on the premises/yard. Thankfully, we do not have to regularly enforce this but we will do so if required. Staff are always willing to discuss any issues, but we ask that these discussions take place in a respectful manner. Thank you.

World Book Day

As ever, we will be taking part in World Book Day celebrations on Thursday 6th March. A huge thank you to Mrs Tarrington for organising a full week of events for our children to enjoy. You will have received a letter regarding this and we ask you to note what is happening each day.

Y5 Space Projects

A big well done to Y5 children (and their families!) for their fantastic space projects. They literally were- **OUT OF THIS WORLD!** I am sure that the children enjoyed completing their projects and all of the school enjoying looking at them and learning from them.

Have an enjoyable half term break.

Mr Daniels and all at St Elizabeth's

Forthcoming Events

Monday 24th Feb-
Return to school

Friday 28th Feb-
Own clothes Day for
Woodlands Hospice

Please let us know if any contact details have changed. Please also ensure that any electronic devices your children receive have the appropriate age settings applied.

An MGL online safety link was sent home last week. Please use this to gain information about keeping your child safe online and having the correct restrictions on devices.
