Dear Parents/Carers

Parents/Carers Evening

Thank you to all who have come into school to view their children's work and discuss progress with the teacher. It was fantastic to see so many parents and carers who are really proud of all the children have achieved.

Woodlands Hospice

A big 'THANK YOU' from Woodlands Hospice for the massive £440.00 that we collected on our own clothes day. This money will be used to support people in our local community who are unfortunately not well and need support.

World Book Day Celebrations

A huge thank you to Mrs Tarrington for arranging a fantastic week of events for our Reading Week. The children had great fun taking part in all of the activities and they loved dressing up in their costumes on World Book Day. The teachers all got involved and it was a fantastic event that really encouraged us all to read as much as possible.

Rugby at Twickenham

Well done to the children who attended the rugby game at Twickenham and represented our school so well. The children took part in the opening ceremony before the game and also got an opportunity to play on the pitch. They really were a credit to our school.

Bad Language on the School Site

I would like to respectfully remind people that we are a school, and as such, we have children aged between 2-11. Lately, we have had to speak to several parents regarding bad language on the yard and how this is unacceptable. **This is not the norm** and most parents follow our school rules and work alongside staff to support the children. However, we occasionally need to send out a reminder that bad language on the yard will not be tolerated and school do have the power to ban parents/carers off the site. We will do this for either bad language, or in the case of abuse given to school staff or other parents on the premises/yard. Thankfully, we do not have to regularly enforce this but we will do so if required. Staff are always willing to discuss any issues, but we ask that these discussions take place in a respectful manner. Thank you.

My Money Week

Your children will be taking part in lots of activities involving money next week. Please support this by doing some work at home with the children. Maybe they could help you with your shopping and learn how to pay or get the correct change? Thank you.

Prayer and Liturgy Class Sessions

Your child's class will be holding a small class Prayer and Liturgy session which you will be able to attend. Look out for the invites that they will send home to you and it would be brilliant to see as many parents as possible on the days.
