Sports Awards

Due to the success that our sporting teams have had this year, we decided to hold our very first Sports Awards evening last night. It was a huge success and celebrated the achievements of all who had been involved. We had a special guest called Noah Stephens who is a first team player for St Helen's Rugby League team and he kindly gave out the awards. Well done to all of the children who attended- you should all feel really proud! Thank you to all of the staff for their fantastic PE lessons and extra-curricular clubs but a particular thanks to Mr Metcalfe and Mrs Kneale for the way that they co-ordinate sport across the school.

School Meal Vouchers

These will be sent out before the end of the school year to those who have registered for free school meals with Sefton Council. They will be sent in the week beginning 14th July so that if there are any problems, you are able to contact school.

Lost Property

Please ensure that if you have lost any items this year, you have a good look in the lost property as any items left at the end of the year
