## Dear Parents/Carers

### Holidays during Term Time

The holiday dates for this academic year are on the website and the dates for the coming school year were sent out previously. **Please do not book any holidays during term time** as we are not able to authorise them and are directed to issue fines. This is out of our control and is a government stance.

### Y6 SATS Week

We are incredibly proud of our Y6 children and their efforts during this busy week. The children started the day with a SATS Breakfast Club which was provided by the PTFA with items donated by TESCO and ASDA. A big thank you to them and also to all of the adults who helped and supported the children through their exams.

### Attendance

Our current attendance stands at 94% for the year and is creeping towards our target. Based on our attendance for last year, the government have set us a target of 94.1% to achieve by the end of the year. In order to do this, we need all children to be **in school every day**. Mrs Cureton and Mrs Elder will be giving out rewards to the classes and individuals who have the best attendance, so the children need to be 'in it to win it!' Good luck.

### Nursery Places for September 2026

If you or anyone else you may know requires a Nursery place for this coming September, please contact the school as soon as possible to put your name on the list. If you would like a tour of the new Nursery area, which we are really proud of, please contact the school and we will be happy to show you around. The places are for children who have a birthday between 1st September 2022 and 31st August 2023.
