Dear Parents and Carers,

We are deeply saddened to inform you of the tragic loss of one of our pupils, who has died, following a house fire at Stone Square.

This is a devastating tragedy, and our thoughts and heartfelt condolences are with their family, friends and everyone who knew them.

We know this news will come as a shock to members of our school community, and staff will provide support to any child who may be struggling.

Children and young people can react to bereavement in different ways. Some may wish to talk about their feelings, while others may need time to process what has happened.

We encourage parents and carers to speak openly with their children and to contact the school if they have any concerns about how they are handling this news.

Support is available in school for pupils and staff, and we are working closely with relevant services to ensure that anyone affected can access the help they need.

We would respectfully ask that everyone avoids speculation and does not share unverified information, particularly on social media. We also ask that the privacy of their family is respected at this incredibly difficult time.

As a school community, we will come together to support one another and remember them with kindness, care and respect.

If you feel your child may need additional support, please contact the school office on 922 5752.

Thank you for your understanding and support.

Yours sincerely

Mr L Daniels
